NO EXCEPTIONS

- Make-up classes are **not** available due to coach/athlete ratios. In the event of a club cancellation a make-up class will be offered at the club's discretion.
- Parents that choose to be a spectator must ensure that they do not distract children/give instruction to children while they are under the care of the coach.
- **No parents** are to remain inside the gym during class time **unless specifically asked by a coach** on duty. It has been proven that a much better response from children is possible when a parent is not present. Please remain in designated viewing area!
- If any parent feels they may be late collecting their child from the gym, they must telephone the office at the earliest opportunity. Every child must wait inside the gym building for the parents to collect them, **NOT** outside.
- Gymnasts are to treat the gym, changing room and waiting room and the equipment with care and consideration. This includes putting any garbage in a garbage can.

PARENTS

If your child is too young to read or understand these club rules, please read and explain them
